WAC 232-12-134 – Report required of licensed trappers. All trappers purchasing a trapping license must report their trapping activity, regardless of trapping success or whether they trapped or not. Trappers must report trapping activity by April 20. Reports must be made using the department's designated Trapper's Report of Catch form or internet trapper reporting system. **If a trapper chooses to report using the Trapper's Report of Catch form, it is the responsibility of the licensed trapper to obtain a form and ensure the form is received by Washington Department of Fish and Wildlife.** Any trapper not reporting by April 20 will be in noncompliance of reporting requirements. False reports will be considered the same as noncompliance. Failure to report trapping activity is an infraction, punishable under RCW 77.15.160. Noncompliant trappers who have paid their penalty under subsection (6) of this section must report their trapping activity prior to being issued a trapping license.
